

Those of you who let your property in Pavilion Court should inform the water company, Affinity Water, of the name and date of occupation of every new tenant. This can be done by sending an email to

mybill.central@affinitywater.co.uk

A copy of the contrast should be attached.to the email.

It is advisable but not essential for you to obtain a reading of the water meter. All the meters are remotely read by Affinity Water and the tenant will be billed directly.

Failing to inform the water company will result in the landlord being charged for the water. You have been warned!

There is no need for you to advise the water company of the current tenant as this has already been done unless the tenant has altered in the last two weeks. The system is destined to go live on the first of August.
